INFORMATION DISCLOSURE STATEMENT

Pursuant to 37 CFR §§1.56, 1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached form(s). It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

In accordance with 37 CFR §1.98(a)(2)(ii), Applicant has not submitted copies of U.S. patents and U.S. patent applications. Applicant submits herewith copies of foreign patents and non-patent literature in accordance with 37 CFR §1.98(a)(2).

Those documents that are listed on the attached form(s) stamped "COPY" are not supplied because: Referring to the above-identified application, Applicant filed an Information Disclosure Statement (IDS) on March 21, 2002 supplying copies of the documents. Unfortunately, initialed and dated pages were not subsequently received by Applicant. Consequently, Applicant

files herewith a Request for Continued Examination (RCE) to submit an IDS reiterating these pages and does not supply copies of the documents because they were already submitted and the paper file wrapper indicates the copies were already received (copy of postcard date-stamped by the USPTO attached).

This Information Disclosure Statement is filed with an RCE or before receipt of a first office action after an RCE (37 CFR §1.97(b)(4)).

Although no fees are believed necessary for filing this Information Disclosure Statement, the Director is hereby authorized to charge any fees which should have been filed herewith to our Deposit Account No. 07-1700, under Order No. UCR-0674 US/123699-182569.
